

ROCKPOOL CREATURES

SEA SNAILS
Sea snails, and other shelled marine molluscs, should be handled by their shells only, not by their soft body parts.

FRAGILE & DIFFICULT TO RELOCATE

CARE CONSERVE CHERISH

HONEYCOMB WORM REEFS
These delicate tubular reef habitats, made from sand, are constructed by the worms. If broken, the hanging tubes of the worms are destroyed. Do not handle the honeycomb-like structures.

HOW TO LOOK AT A ROCKPOOL
A PLANET FRIENDLY GUIDE

BEACH ACADEMY

SWIMMERS!
and not to

LET US BRING OUR POP UP
ROCKPOOL TO YOU!
**LIVING THINGS
OUTREACH**

LIVING THINGS OUTREACH

WE COME TO YOU...

We understand you may not be able to make it to the beach to study Living Things, for many reasons, but why miss out?

Beach Academy can now come to you with our **LIVING THINGS** activities...

HOW IT WORKS

Our specialised beach teacher will come along and set up one 'Beach Activity Station' for the duration of your full school day in one spot.

We can accommodate 2 classes a day.
One before and one after lunch.
Both classes will study the same topic.

Schools can plan around their own timetables which class comes when.

Activities are tailored to all age groups.

We are all about learning outdoors so that will always be the first option (playground, outdoor learning area, school fields etc) However being Wales please make sure that if the weather is not nice, we can have a space indoors to set up as an alternative, such as hall or classroom.

Activities are delivered in English.

All resources and equipment provided.

Fully flexible on location, we are fully mobile.

TOPICS TO CHOOSE FROM

Rockpool School

Learn how to handle rockpool creatures correctly with our pop up rockpool. Please note no live animals will be present, but we will have real specimens (dried/molts) to show and handle.

Strandline Safari

Learn about the marine life that can be found washed up on our shores in our strandlines with this searching and identifying beachcombing session. Real specimens/seaweeds provided.

COST

1 day (2 classes)	£240 per day
2 days (4 classes)	£210 per day
3 days+ (6+ classes)	£190 per day

Additional costs: 40per mile above 20 miles from our base at Rest Bay Porthcawl.

TO BOOK

Get your chosen topic and preferred date(s) in our diary. Contact Em on beachacademywales@gmail.com

WE LOOK FORWARD TO SEEING YOU SOON.
