In this pack you will find:

1. Instruction Sheet
2. Location Sheets (10 locations)
3. Answer Sheet

INSTRUCTIONS

We took Potters' Wand to 10 locations across the Vale. It's your challenge to find out where we took it. You will need to go to the same spots (in the photos) in order to answer the questions that we have set. Complete all 10, in no particular order, for your chance to win our treasure; the replica wand itself and a family visit to Harry Potter World. To enter our prize draw you will need to complete our online quiz using the answers that you have collected from the hunt.

How to complete the hunt. (Locations & Answers)

In order to find out where we took the wand, we have given you Location Sheets. We took photos as clues and given you the exact location using what3words. what3words makes it easy to find, share and save precise locations of anywhere in the world using a simple grid system.

Download the **what3words app** onto your mobile device (phone or tablet) It looks like this...

How to get directions to a what3words address

- * Launch the app on your device (or go online)
- * Enter the what3words address in the top bar after the /// using format word.word.word
- * Select the correct result and tap 'Navigate'.
- * You can then choose your preferred navigation mode (bottom right of the screen and swop between map and satellite mode)
- * Don't forget to take the answer sheet with you, or a pen and paper to write the answers.

What to do when you get there

Find the spot (be the wand!) and look around for the answers you need to find. One word and one number. You need both to complete the final quiz online to be entered into the competition. Complete your answer sheet (in this pack) for each location and keep it safe. Please note the actual wand will not be there!

What next?

Take your time! It's a competition, not a race. You can travel to the locations by car, rail, bus, bike whichever is best for you. Pack a picnic and enjoy exploring the Vale.

You can complete the hunt whenever you like during the school holidays (18-26 February 2023). You may wish to have a few days out and visit some of the places we have chosen across the Vale or go for it in one day!

If you wish to enter the competition to win Potter Prizes you must complete the online quiz (by 11.59pm on Saturday 4 March). You can't after this time. The quiz can only be completed with all the answers gathered from the 10 locations.

Completed all locations? (Online Quiz)

You will need all your word and number answers to complete our quiz online. Please go to www.beachacademywales.com/valewanderer and click on the 'QUIZ ENTRY' button.

Complete all our quiz using your answer sheet. You will then be automatically entered into our prize draw. The winner will be drawn on Sunday 5 March and notified the same day.

The winner gets the wand we used in the photographs plus a 2 day trip to London for a family Studio Tour at Harry Potter World with overnight hotel stay (family room) and breakfast.

Good Luck
